

## ENTRANCE EXAMS

---

Parents can apply only online for an entrance test following the protocol already given on the website. Successful students will be asked to produce all documents listed on the website the day after the declaration of the results. Parents will be asked to submit all original documents as listed and pay the fees within five working days of the results.

Please be warned that if a student who has failed, applies for an admission test again, without mentioning the first failure he will be disqualified and his name will be put on a permanent black list.
