THE YEAR OF EXPO AWAITS!

Dear Educators,

As we welcome this new and promising year, **Expo 2020 Dubai** and the **Expo School Programme** want to ensure you are equipped with the experiences to make 2021 truly unforgettable.

We look forward to seeing you take part in the exceptional initiatives below:

A SUSTAINABLE SURPRISE

The Expo 2020 Pavilions Premiere is an **exclusive opportunity to glimpse** what is to come when Expo 2020 Dubai opens its doors to the world on 1 October 2021.

From 22 January to 10 April 2021, we invite the general public to experience a taster of Expo 2020, starting with **Terra – The Sustainability Pavilion**, where you can experience an immersive journey through the wonders of the natural world and be inspired to create a better, more sustainable future. Our first exciting pavilion is **launching on 22 January**, with the Mobility Pavilion and Opportunity Pavilion launching at later dates, available at the link below.

While onsite, you can enjoy an array of events, music, performances and delicious food! Don't forget to share with us your exciting moments **#ExpoSchoolProgramme**

Tickets are just AED 25 each. For more information or to book your tickets: [CLICK HERE](#)

Note: Due to current government regulations, school trips are not allowed to the Expo 2020 Pavilions Premiere. However, children of all ages are welcome to visit with their families.

INNOVATION MONTH

ARE YOU UP FOR THE CHALLENGE?

Due to popular demand, we are re-launching and transforming Expo Champions, which will now extend to ALL student across the UAE.

Students can participate in monthly challenges, and move across the interactive Expo Board Game, as we lead up to our opening on 1 October 2021.

To celebrate Innovation Month, we are launching our first Expo Champions Challenge on 1 February with the Better World Challenge. For more information, please click here.

CALLING ALL INNOVATORS

Celebrate Innovation Month with the Expo School Programme!

This month's challenge will also be available as an **in-class workshop**! Join us on **10 February from 10am-11am** for our **Expo Young Innovators workshop**, as we help build our future inventors! Students ages 7-13 years will have the chance to discover past Expo innovations and even create their own inventions using tools developed for the Young Innovators Programme.

Hurry and book your spots here.
