

GRADE/YEAR TRANSITION

24th January 2021

Dear Parents,

Greetings from Ibn Seena School. Hope all of you are doing well and staying safe. On behalf of all members of the school we wish you a Happy New Year.

As per the directive of SPEA all British Curriculum Schools in Sharjah will have to be fully aligned to the UK national curriculum standards and transit smoothly from the grade system to Years, which is mandatory.

In order to ensure this transition is smooth the school will be following a dual terminology in both years and grades. Example Year2/ Grade1. All classrooms and important documents will have dual signage. The entire process of this transition will be followed from 2021. By the end of 2023 there will be consistency across all UK schools as per the requirements.

You can refer to the chart on the school website to see the difference between the grade system and UK year system.

Warm regards,

Farahnaz Soonawala
