## ORIENTATION DAY NOTICE

### PRIMARY BLOCK

### ACADEMIC YEAR - 2022 - 2023

Dear Parents,

10<sup>th</sup> August 2022

### Welcome to the new Academic Year 2022-2023

An orientation will be held for parents of the Primary Block (FS2 to YR3) on the **27<sup>th</sup> of August, from 9:00 AM to 11:00 AM.**

Our goal in having this orientation is to involve the family in helping us to encourage children in all aspects of life, keeping in mind their academics, health, safety, and wellbeing.

As a parent, you can help your child learn in a way no one else can. This desire to know is the key to your child's success.

Please be on time, so you don't miss out on all the necessary details. Parents of FS2 and Yr1 are requested to submit the covered & labelled books and stationery items to the class teacher to be kept in the classroom.

Ms. Dube, Vice Principal, will conduct a special talk **for mothers of FS2 students**, highlighting the importance of supervising children and school rules.

Best Regards,

Please note the schedule-
