

Notice For Parents of Year 11 Students- AS Level Subjects for Year 12

21st FEBRUARY 2026

Dear Parents,

We are pleased to inform you that next academic year, AS Level courses will be offered exclusively for the Girls' Section with the following subject combinations

- ✓ Physics, Maths, and IT
 - ✓ Physics, Chemistry, and Biology
 - ✓ Physics, Chemistry, and Mathematics
-
- Students must achieve a **minimum grade of 6** in at least two of the opted subjects and 5 in the third one.
 - Classes for each subject will commence only if a minimum of five students enroll.
 - Students can register for the AS Level course by filling out the registration form.
 - Students who register and complete payment before June 15 will receive a one-month discount.
 - In case a student does not achieve the required grades or if there are fewer than five students in a subject, the fees will be reimbursed on October 1st or the next working day.

We encourage interested students to register early to avail the benefits and secure their place in the AS Level courses.
