

NOTICE

13TH JULY 2025

Dear Parents,

Warning: Parents are warned NOT TO MAKE PART PAYMENT, and the programme will not deposit it in our account, and it may go into some bank scheme. Please make full payment as per the notice.

We are pleased to inform you that a new Easy Payment Plan (EPP) option has been introduced in the Skiplly App for all Visa Credit Card holders from eligible banks (please refer to the file given in the link)

Now, you can conveniently pay your child's Fees through the Skiplly App and choose to repay the amount to your credit card issuer in 3, 6, or 12 monthly instalments-depending on the terms set by your bank.

This facility is designed to help both parents and the school in managing fee payments more efficiently and with greater flexibility.

We encourage all parents using Visa Credit Cards from eligible banks to take advantage of this option when making payments through the Skiplly App.
